

Fall Broadband Meeting

IAMU Office and Training Complex

1735 NE 70th Avenue

Ankeny, IA 50021

September 26, 2018

Members: \$35.00 per person

Non-Members: \$50.00 per person

The 5th annual Fall Broadband Meeting provides an update on key broadband topics as well as ample opportunities to network and “compare notes” with your peers.

SCHEDULE

8am-9am	Registration	Rolls, coffee, and juice will be available
9am-9:50am	ACA Update <i>Auditorium</i>	John Higginbotham, former General Manager at the Frankfort Plant Board in Frankfort, Kentucky, is the American Cable Association’s new liason to municipal telecommunications providers. John will share some of the initiatives that ACA is working on and how they impact municipals.
9:50-10:00am	Break	
10:00am-10:50am	Meet The New Neighbors <i>Auditorium</i>	The Iowa municipal broadband community is growing! During this panel discussion we’ll hear from new municipal provider Indianola Municipal Utilities as well as several others who are in the process of moving forward.
10:50am-11:00am	Break	
11:00am-12:30pm	New Video Delivery Options <i>Auditorium</i>	Alternatives to traditional delivery methods are becoming very popular among small video operators who are tired of spending big money on set-tops. During this session, we’ll take a look at a couple of options for delivering linear video programming over consumer devices such as Roku, Apple TV, and Amazon Fire devices. Representatives of Minerva and Innovative Systems are schedule to present.
12:30pm –1:15pm	Lunch	Provided in registration
1:15pm-2:00pm	Tech Roundtable <i>Auditorium</i>	Topics to be determined
	Marketing Roundtable <i>Board Room</i>	Topics to be determined
2:00pm-2:30pm	2018 Broadband Conference <i>Auditorium</i>	As we wrap up the 2018 Fall Meeting, we’ll seek input on possible topics for the 2018 Broadband Conference.
